¹**Survey Question 42:** During the last 3 months of your pregnancy, how many alcoholic drinks did you have in an average week?

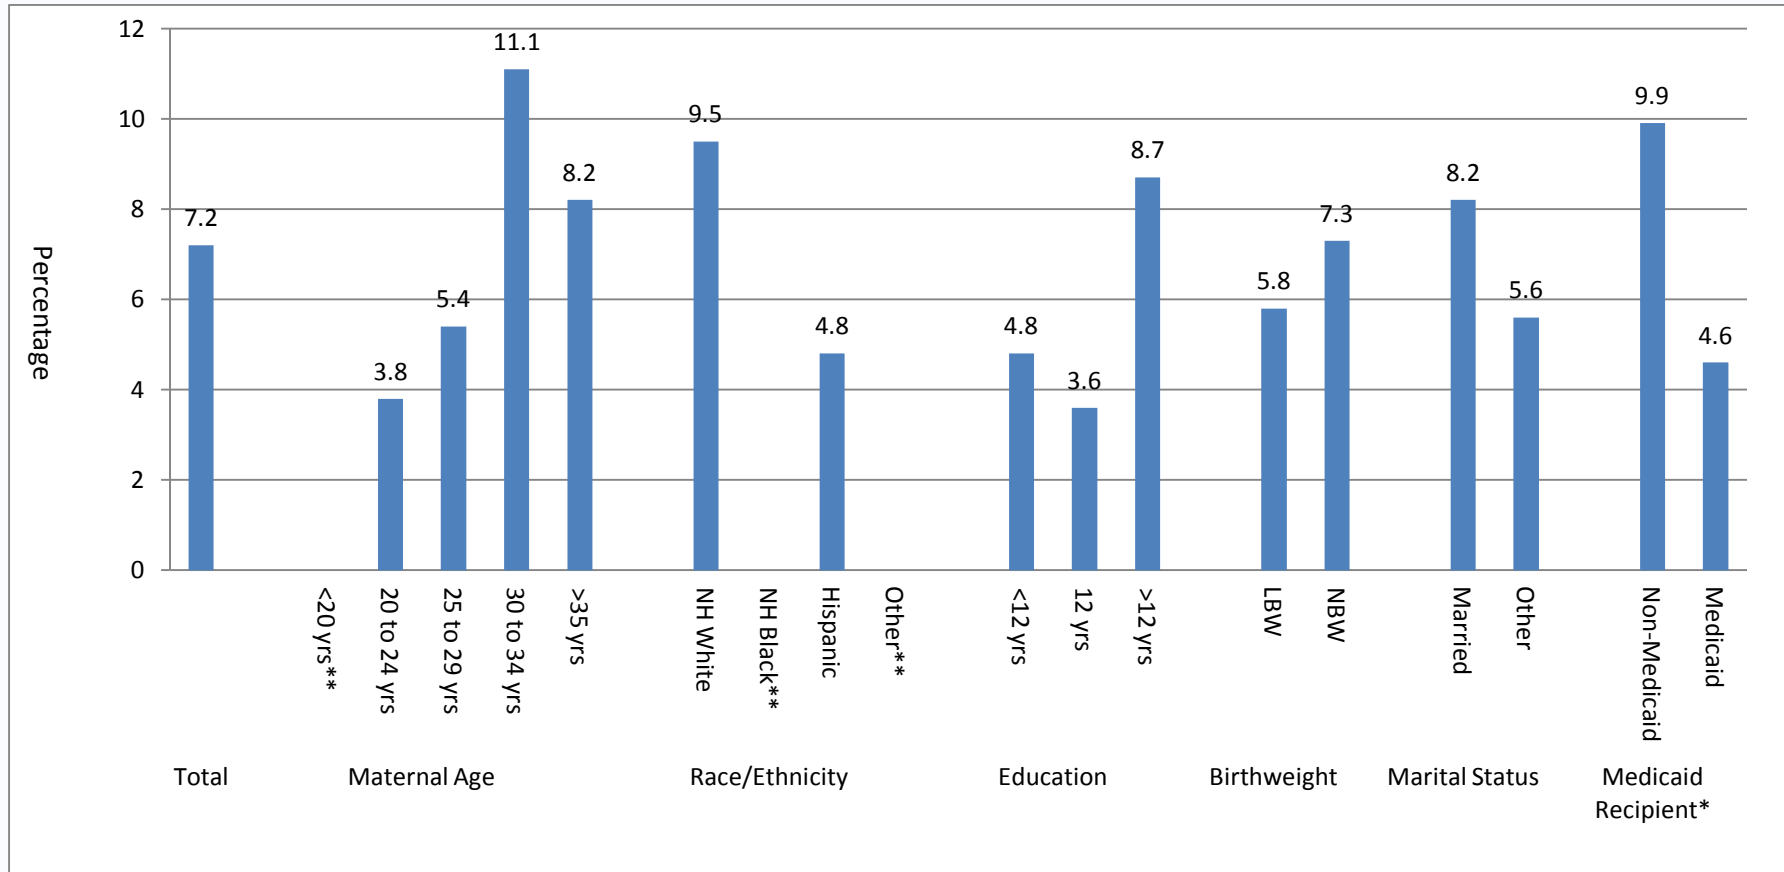

²**Percentage** = Weighted percentage of Illinois mothers giving birth in 2012 with the specified indicator for each characteristic.

³**Respondents (N)** = Total number of mothers who responded to this question with Yes; total N = 1075 (Yes or No); Total N value for each characteristic varies due to unanswered questions, survey skip patterns, and invalid responses.

⁴**Estimated population affected** = Estimated number of Illinois mothers giving birth in 2012 with the specified indicator for each characteristic
